Hello all,
 Can you let me know the status of your review? I would like to send DOJ's letter to Earthjustice this week and would like to know if you have accepted the complaint for investigation so I can direct them to work with your agencies.
 Thank you.

Fyi, we have not sent a response but will because the letter is also addressed to us. Our response will state that we don't have jurisdiction but per our 12250 authority we will work with your agencies. I will share the letter with you all first.
